Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Sunday 21 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold but sunny on Monday after early showers.

This Evening and Tonight:
A cold night. Showers will mostly become confined to coastal areas, with longest clear spells likely inland. A slight frost is likely in rural areas after midnight. Minimum temperature 0 deg C (32 deg F).

Monday:
Monday will be a cold day and mostly sunny with early showers near coasts dying out by afternoon. Winds easing light. Maximum temperature 8 deg C (46 deg F).

Outlook for Tuesday to Thursday:
Cloudy but mostly dry with light winds on Tuesday. Rain at times on Wednesday, clearing later. Probably brightening up during Thursday with showers and freshening winds likely. Temperatures near normal.
